Section No 10. Selection criteria

Instead of: **3) Technical capacity of tenderer** (based on items 5 and 6 of the tender form). The reference period which will be taken into account will be the last three years preceding the submission deadline.

- the tenderer has delivered supplies under at least one (1) contract with a cumulative budget of at least that of his financial offer for this tender, in the area of manage of savage or water supply system maintain, which were implemented during the following period: 5 years from the submission deadline (05.06.2019 – 05.06.2024).

This means that the contract the candidate refers to could have been started at any time during the indicated period but it does not necessarily have to be completed during that period, nor implemented during the entire period. Candidates are allowed to refer either to projects completed within the reference period (although started earlier) or to projects not yet completed. Only the portion satisfactorily completed during the reference period will be taken into consideration. This portion will have to be supported by documentary evidence (statement or certificate from the entity which awarded the contract, proof of payment) also detailing its value. If a candidate has implemented the project in a consortium, the percentage that the candidate has successfully completed must be clear from the documentary evidence, together with a description of the nature of the services provided/supplies delivered if the selection criteria relating to the pertinence of the experience have been used.
